

IT Infrastructure · GeM & MSME Registered Unit

# OrbitEdge *Maxim*

The right hardware. Genuine. Compliant. Delivered.

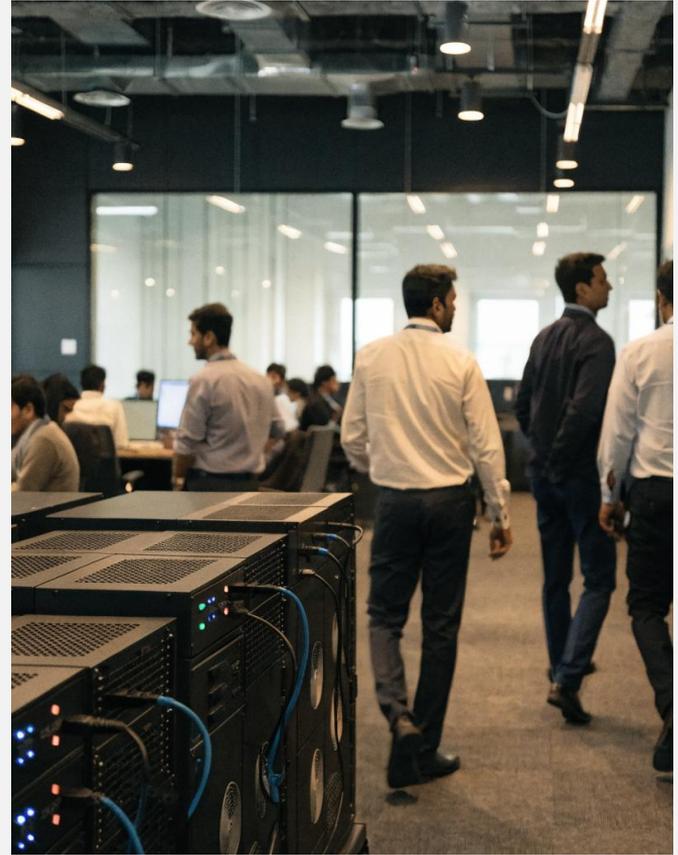

# About us

## Who we are

OrbitEdge Maxim (OEM) is an Indian MSME and GeM (Government e-Marketplace) registered IT infrastructure trader. We supply genuine, enterprise-grade IT hardware and software to corporates and government agencies across India.

## Our foundations

Newly founded and registered in India, we specialise in IT infrastructure procurement and supply - serving both government and corporate clients. Every product is sourced from authorised distributors with full manufacturer warranty, and all transactions include complete GST-compliant invoicing.

Our credentials

# GeM Registered

---

Government e-Marketplace supplier

# MSME Unit

---

Registered Micro, Small & Medium Enterprise

# GST Compliant

---
